

**CPCU November 2019  
Chapter Meeting Reminder**

**LOS ANGELES CHAPTER  
OF THE CPCU SOCIETY**

**LUNCHEON MEETING – Tuesday, November 12, 2019**

**The Los Angeles CPCU Society Chapter Officers and Directors  
invite you to join us for a presentation by  
Deborah L. Freeland, FSFPE, CPCU  
Area Senior Vice President, Arthur J. Gallagher**

**The Notre Dame Fire – Property Engineering Perspective**

The fire in the iconic Notre Dame cathedral in Paris on April 15, 2019 stunned the world! How could this have happened? What we now know about the sequence of events and the cause, other factors that contributed to the loss, and what this devastating fire has taught us.

**Our Facilitator**

**Deborah L. Freeland, FSFPE, CPCU**, is a fire protection consultant for over 30 years, more than 20 with Arthur J. Gallagher, Debbie Freeland is a long-term member and immediate past Chair of the National Fire Protection Association's Committee on the Protection of Cultural Resources, which writes the National Fire Codes for museums, libraries, places of worship, and historic buildings and serves as editor of the chapter of NFPA's Fire Protection Handbook covering fire protection of Cultural Properties. She has worked with museums, churches, libraries and cultural institutions of all sizes in developing fire protection alternatives and programs to reduce their potential risk, and is at the forefront of developing new standards to address the protection of historic structures while preserving their historic fabric.

She is past president and current board member of the Southern California Chapter and Fellow and National Qualifications Board member in the Society of Fire Protection Engineers, and has served on the California State Fire Marshall's Advisory Committee. She holds the ARM and CPCU designations.
